

Dear Families,

A couple of things..

CHOCTOBER TOTAL £468.17!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

We have not yet counted the money donated for children in need. Thank you for your support for these worthwhile causes.

If there is a problem between your child and another child at school please bring it to the class teacher's attention. PLEASE DO NOT speak directly to the other child or their parent. There are always two sides to every issue and we are best placed to sort things out.

When leaving school by the playground gate please take great care when crossing the road. I have been alarmed by people walking straight out into the road without seeming to look- especially people with buggies.
