Today we say farewell to Monica as she departs to start her maternity leave. She is a key figure at school and we will miss her greatly and look forward to her return later in 2019.

It has been wonderful to see so many families enjoying reading in the library before school!

School Pick up

Each day the office can receive up to 20 messages about pick up arrangements, most arriving between 3-3.30. This takes up a great deal of time as the messages can only be delivered face to face during teaching time.

In order to avoid this can I please ask that we follow the following guidelines:

If the person collecting your child is doing so for the FIRST time please call us. If they are someone who has collected before and is probably known to school there is NO NEED to call.

I will make sure all staff understand this so they do not challenge people unnecessarily.

On our website we set out the many ways we keep your children safe at school. This document can be found by following the safeguarding link.

School photographer Tuesday 11th December to take photos of individual children AND Woodgrange brothers/sisters during the school day

From 8.30 there is the opportunity to have family group pictures with babies and toddlers (not older children as they should be at school!). If you are interested please come to the library via the playground door.

The library will not be open for reading on Tuesday 11th.

Year 2 parents please do not forget to apply for your Year 3 place by 15th January

Have a good week
