

Dear Families,

Unfortunately due to a gas leak we are not “cooking with gas” this week or next.

Roxy (school cook) is liaising with Juniper catering to put together a programme of meals that can be cooked in the electric oven with some support from Godwin kitchen and sandwiches to fill the gap.

This does mean that we have to cancel Christmas dinner for parents tomorrow.

Money will be refunded – please come after school to collect- no rush...

This is one of our favourite events of the school calendar and I wouldn't cancel it if I could avoid it. We will have some festive food for the children tomorrow but cannot stretch to an extra 50 adult meals.

We will organise a special meal once gas is restored.

PTA News

Snowball disco Friday 4.30-5.30

grab yourselves an hour of peace... refreshments for parents available in the playground

Arrangements next week

Nursery/ Reception will be performing “Whoops-a daisy Angel”

at 2pm Wednesday 19th AND 9.30am Thursday 20th

Please choose 1 performance only so there is room for everyone!

Doors will open 15 minutes before the performance. We will use the entrance at the back next to Nursery/ school kitchen.

We cannot allow anyone to come in through any other door.

Please don't try sneaking in early (it happens every year!)

Space is at a premium so if possible please leave buggies at home. We will ask you to leave them outside unless babies are asleep.

Children will be having an end of term party.

We have suggested Thursday afternoons but this may differ class by class- ask your teacher for details.

Can I please remind parents that whilst we are happy to help celebrate birthdays in a small way we cannot slice cakes or hand out party bags- please keep it low key and offer a healthy alternative and avoid nuts.

The lost property basket is overflowing- please come and claim your child's belongings.

It will be emptied over the holidays and donated to charity.

Year 1 parents please look out for info about the pantomime next week. We only have a few adult tickets so will have to disappoint many I am afraid.

I may not have a newsletter for you next week so if this is the last one of 2018....

I would like to say a very warm THANK YOU to all of you.

Have a wonderful holiday and a Happy New Year.

School reopens on Tuesday 8th January.

Sarah & Staff

I include a summary of your feedback this term.
