

Dear Families,

I can't believe we have already been back at school for 2 weeks! A belated HAPPY NEW YEAR!
We failed to empty the lost property basket during the holidays but will do at the end of next week so LAST CHANCE to reclaim your child's belongings

The weather has begun to turn colder after a very mild spell.
Please don't be tempted to jump in the car to come to school. We will challenge you if you park or stop on the zig zag lines,
you stop and run your engine which pollutes the air the children breathe,
you drop children and do not bring them in to school
hold up traffic whilst getting being "dropped off"
your children are not sitting in the back seats and/ or wearing seatbelts.

I do this for 2 reasons:

the safety and well-being of all children

the law- "Children must normally use a child car seat until they're 12 years old or 135 centimetres tall"- as adults it is our responsibility to set a good example and stick to the rules

PTA News

Dear Parents,
A Challenge!

We are taking part in an exciting project to raise a huge book donation from "Hachette" for our library.

We're not asking for any money from you, but we would like a few minutes of your time.

We have just 20 days to get as many supporters as possible to visit

<https://www.raloo.com/support/woodgrangeinfantschool/> and complete 5 simple online actions to help us get a pack of 50 fantastic books for our library, we're also in with a chance of receiving an additional 100 books if we are the first school to complete the challenge. You can complete as many actions as you feel comfortable with. Every click counts and it only takes a few minutes of your time. Please do send on to friends and family who you think may be able to help us achieve our goal.

How to get involved

The site, run by Raloo, includes all the instructions as well as some more information about our project. If you want any further information about the platform or campaign, please contact the PTA at:
