

Dear Families,

Thank you for supporting World Book Day. There were many fabulous outfits. It was very hard to choose but 4 children have received a £10 book token as a prize for creative book character costumes. We have looked for book rather than film characters and originality or simplicity of ideas. There are obviously some very creative parents out there! Nicola Delasalle has won the staff prize for dressing as an alien who loves underpants!

After today's efforts you may or may not be pleased to hear that we are dressing up again next week for Comic Relief. This will be on Thursday 14th. The theme is patterns and shapes. All you need to do is wear the brightest, most patterned clothes you have in your cupboards but as its for charity please bring some cash! Red noses are optional. We are not selling them in school this year.

Parent Governor Focus group

Our next meet is next week. We would like to discuss: Health and well being, including travel AND boys and girls. We would particularly like to hear from and talk male family members on the topic of gender as the female perspective is well represented in school. Please email info@woodgrange.newham.sch.uk

The sessions are Thursday 14th March 6pm and Friday 15th March 9.15

PTA Events

We are happy to collect your bags of clothes for recycling. Please bring your bag (or bags!) to the collection point outside reception between March 25th and up to 9am on Wednesday 27th March

Quiz Night Wednesday 3rd April- time to start revising!

Health update

Q My child has an upset tummy... should they come to school?

A If your child vomits once it is probably not contagious and they can attend school. However if they vomit several times and have a raised temperature it is likely to be a virus and they should stay home for at least 24 hours AFTER they last vomited. They should drink plenty of clear fluids so they don't get dehydrated.

We like to encourage good attendance but we do not want to risk spreading illnesses.

Thank you Sarah & Staff
