

Dear Families,

Many thanks to our gardening helpers yesterday! The front bed looks amazing!
Well done to Jemba, our youngest helper!!!

Reminders

The Reception/ Nursery outdoor area is not open after school. Please leave the area straight after collecting your children- the main playground is open for you to stay and play.
Godwin pupils should be supervised BY PARENTS. Woodgrange staff should not be dealing with their behaviour or any issues between them.

The PTA donations box is in the Reception area ready and waiting!

The Lost property basket is becoming quite full- please pop in to reclaim any items before we have a clear out at half term

Attendance

Attendance is currently looking good at 95% but as we are approaching the time of year when thoughts turn to holidays I thought it wise to remind you that holidays in term time are never authorised.

As Headteacher I can authorise leave in term time but only for EMERGENCIES.

Please check school dates before booking.

If your child's attendance is below 90% I will be considering a penalty notice- this is per child, per parents so for 2 children that could be as much as £240.00.

I will also consider a fine if you tell us that your child was ill and your child tells us they were on holiday or going to museums and other sights with visiting relatives.

Please ring school on the first day of absence and on day 3/ 5 etc if the absence is longer than a day.

Health Update

We currently have chicken pox in school. This is raised red spots that can be very itchy and uncomfortable. It is contagious before the spots appear and until they have dried and scabbed over. Once all of the spots are scabbed it is safe for your child to return to school provided your child is comfortable.

Coming up

Monday 27th May- Friday 31st May **School closed** for Half term- back to school Monday 3rd June

Tuesday 4th June- likely to be Eid – please let us know if you will be celebrating on a different day
