

Dear Families,

This year we will be having a quieter Christmas at school. The children and staff will have their Christmas dinner on Wednesday 9th December. This year we would like to use this as an opportunity to raise money for Great Ormond Street Hospital's "Home for Christmas" campaign

We have chosen this because the hospital is involved with several of our children and does brilliant work.

So we would like to host a festive fancy dress dinner and ask for donations for this worthy cause. If you can could you donate the cost of a school lunch- £2.50? Or donate anything you can...

Health updates

Medicines in school If your child needs to be given medicine during the day you MUST email shama.saeed@woodgrange.newham.sch.uk who will send you a form to complete in advance. please do not bring the medicine to school without this form.

Covid and testing

I must stress how important it is to follow guidance around self-isolating. If anyone in your household books a test EVERYONE stays home until the result comes through and then continues to stay home if it is positive. This is even if the person testing has no symptoms. If in doubt please call us before sending your child to school.

Reception are preparing a cookery show and would love any unwanted cook books or recipe cards to add to the role play areas- we aim for real life resources- if you are like me you must have at least 1 hiding on a bookshelf somewhere!
