

Dear Families,

REMINDER: school remains closed except to critical workers and vulnerable children for at least the next 4 weeks

Thank you to parents and friends of Woodgrange who have donated to help other members of the school community: It seems we have 2 “funds” developing:

- tech fund- help with home learning and connectivity- 6 chrome books ordered so far
- helping hands fund- this will help with wider needs.

I would like to help please contact us via info@woodgrange.newham.sch.uk we can share the school bank account details. Please make it clear which fund you wish to contribute to.

LOAN of devices

We have allocated most of the devices we have been given. We still have some mobile wifi units. If this would help please contact school with your request/ needs and we will contact you.

Staff are calling families weekly or fortnightly.

Please use these calls to ask for any advice or help you may need. You can also message through the dojo.

If you have an urgent need please call school or email us and we will get straight back to you.

Please understand that staff aren't all immediately available- we have staff who are unwell or who have significant responsibilities at home or a heavy workload in preparing the high quality sessions etc but we promise to always try our best.

We have had some welcome feedback about the home learning through calls or emails.

In response to this we:

- are starting live weekly zooms- Holly class trialled this this week- “never known them to be so quiet!” said Lois!!!!
- will all put video clips on dojo as well as links to youtube so you can choose how to watch
- will start to provide activities as pdfs sent via parentmail as well as through dojo – in advance where available- we know not everyone has a printer but it is an option...

Next week we will send home some additional support for activities children can do as a supplement to the daily sessions. These will be similar to the “Home learning” we usually send home.

Learning and growing together...

I know the children are missing each other.

If you would like to be put in touch with their friends to arrange a group zoom/ face time etc I am happy to help you make contact but both families will need to agree...

Thank you again for your support

Sarah & Staff
