## Health update

I attach 2 documents related to covid:

How to become a Newham COVID champion

Info about ordering lateral flow tests (the quick ones) to use at home

## Medicines in school

Please note WE WILL NOT take medicines at the classroom door. You must complete a form with Shama BEFORE bringing medicine in. I have made this clear to all staff.

To complete the form email Shama via [info@woodgrange.newham.sch.uk](mailto:info@woodgrange.newham.sch.uk). Include your phone number and she will call you.

Monica, Deputy Headteacher, has been reviewing and revising our policy and plans for the new Relationships and Health Education curriculum launching later this year. She has sent home some documents and materials for you to look at and raise any questions or suggestions. We would greatly appreciate your feedback on this.

There is quite a lot in the lost property basket. It will be outside the front door on any dry day next week. Please help yourself!

Thank you again for your support Sarah & Staff
