

31st March 2021

Dear Families,

Safer, healthy streets- safer healthier children

As you know Sebert Road is restricted for parts of the day to make it safer and healthier for children on their journeys.

However I am aware that there are still issues about driving, parking and leaving engines running on roads close to school.

I have also seen some very dangerous parking and turning on the corner of Avenue Rd and Sebert Rd where many children cross each morning.

Please can we all try to walk to and from school? It can be a really pleasant start to the day- talk to your children as you walk- see other parents... and likewise at 3.30...

If you must drive please take great care AND when parked, SWITCH OFF ENGINES. Parked cars with engines running emit more pollution than when moving and it is at child height.

Car pollution is a massive health problem, especially during the warmer months...

Let's be part of the solution not part of the problem

Thank you

Diary dates

TOMORROW

Comic Relief day- FUN raiser- wear odd socks. Donate £1 or what you can. Thursday 1st April.

Last day of term Thursday 1st April

Back to school Monday 19th April

Bag2school collection 11th May

Tomorrow is the last day of term. I hope the weather stays fine and we enjoy some fresh air and outdoor spaces. The bluebells in Wanstead Park should be blooming soon.... Please post some photos of signs of spring onto the dojo for us to share when we get back to school on April 19th.

Please don't forget that Bug Club is still available to keep practising reading and there are follow up activities too.

Thank you again for your support this term. Let's continue to stay safe
